功夫很看重平衡...我指的不单是双脚的平衡.

还要注重你自身、整个世界以及宇宙的二元矛盾.

我们将自然与万物中固有的对立面视为一体.

一只寄生兽…

古烈!

被那东西感染后,我就成了个无助的旁观者…困在自己体内,被它完全掌控着。

所以你中了瞬狱杀也没事…

在那怪物控制你身体时,灵魂失去意识就不是目标了。

可它是从哪儿来的?

秘密结社那家伙是他们过去所有十二间谍的最新进化体,在它利用我达成目标时我全看到了…

它要接近并暗杀这世上唯一令吉鲁恐惧的人…

…隆。

我不知道原因,但吉鲁还活着,他的力量还没完全恢复,可他已经准备好重新掌权了。

他之前被你打败过,所以知道你会是他再度回归时不多的阻碍之一。

那么说现在暗潮汹涌…

哇,哇,哇…暂停一下。

就算有暴风雨要来,现在也是平静的时刻,我可不会中断派对的。

等香槟喝完之后,我们再去担心未来会发生什么吧。

STREET FIGHTER 2 100

THE END.

STREET FAVORITES

UDON artists choose their own favorite STREET FIGHTER illustrations.

I think my favourite single Street Fighter piece (if we could call it a single piece) would be the 12-cover ULTRA JAM I drew for the STREET FIGHTER UNLIMITED series. It was both a joy and a challenge to depict every Street Fighter at the time of that release. It's almost tempting to do an update and include additional characters that were new for SFV, huh.

JEFFREY "CHAMBA" CRUZ

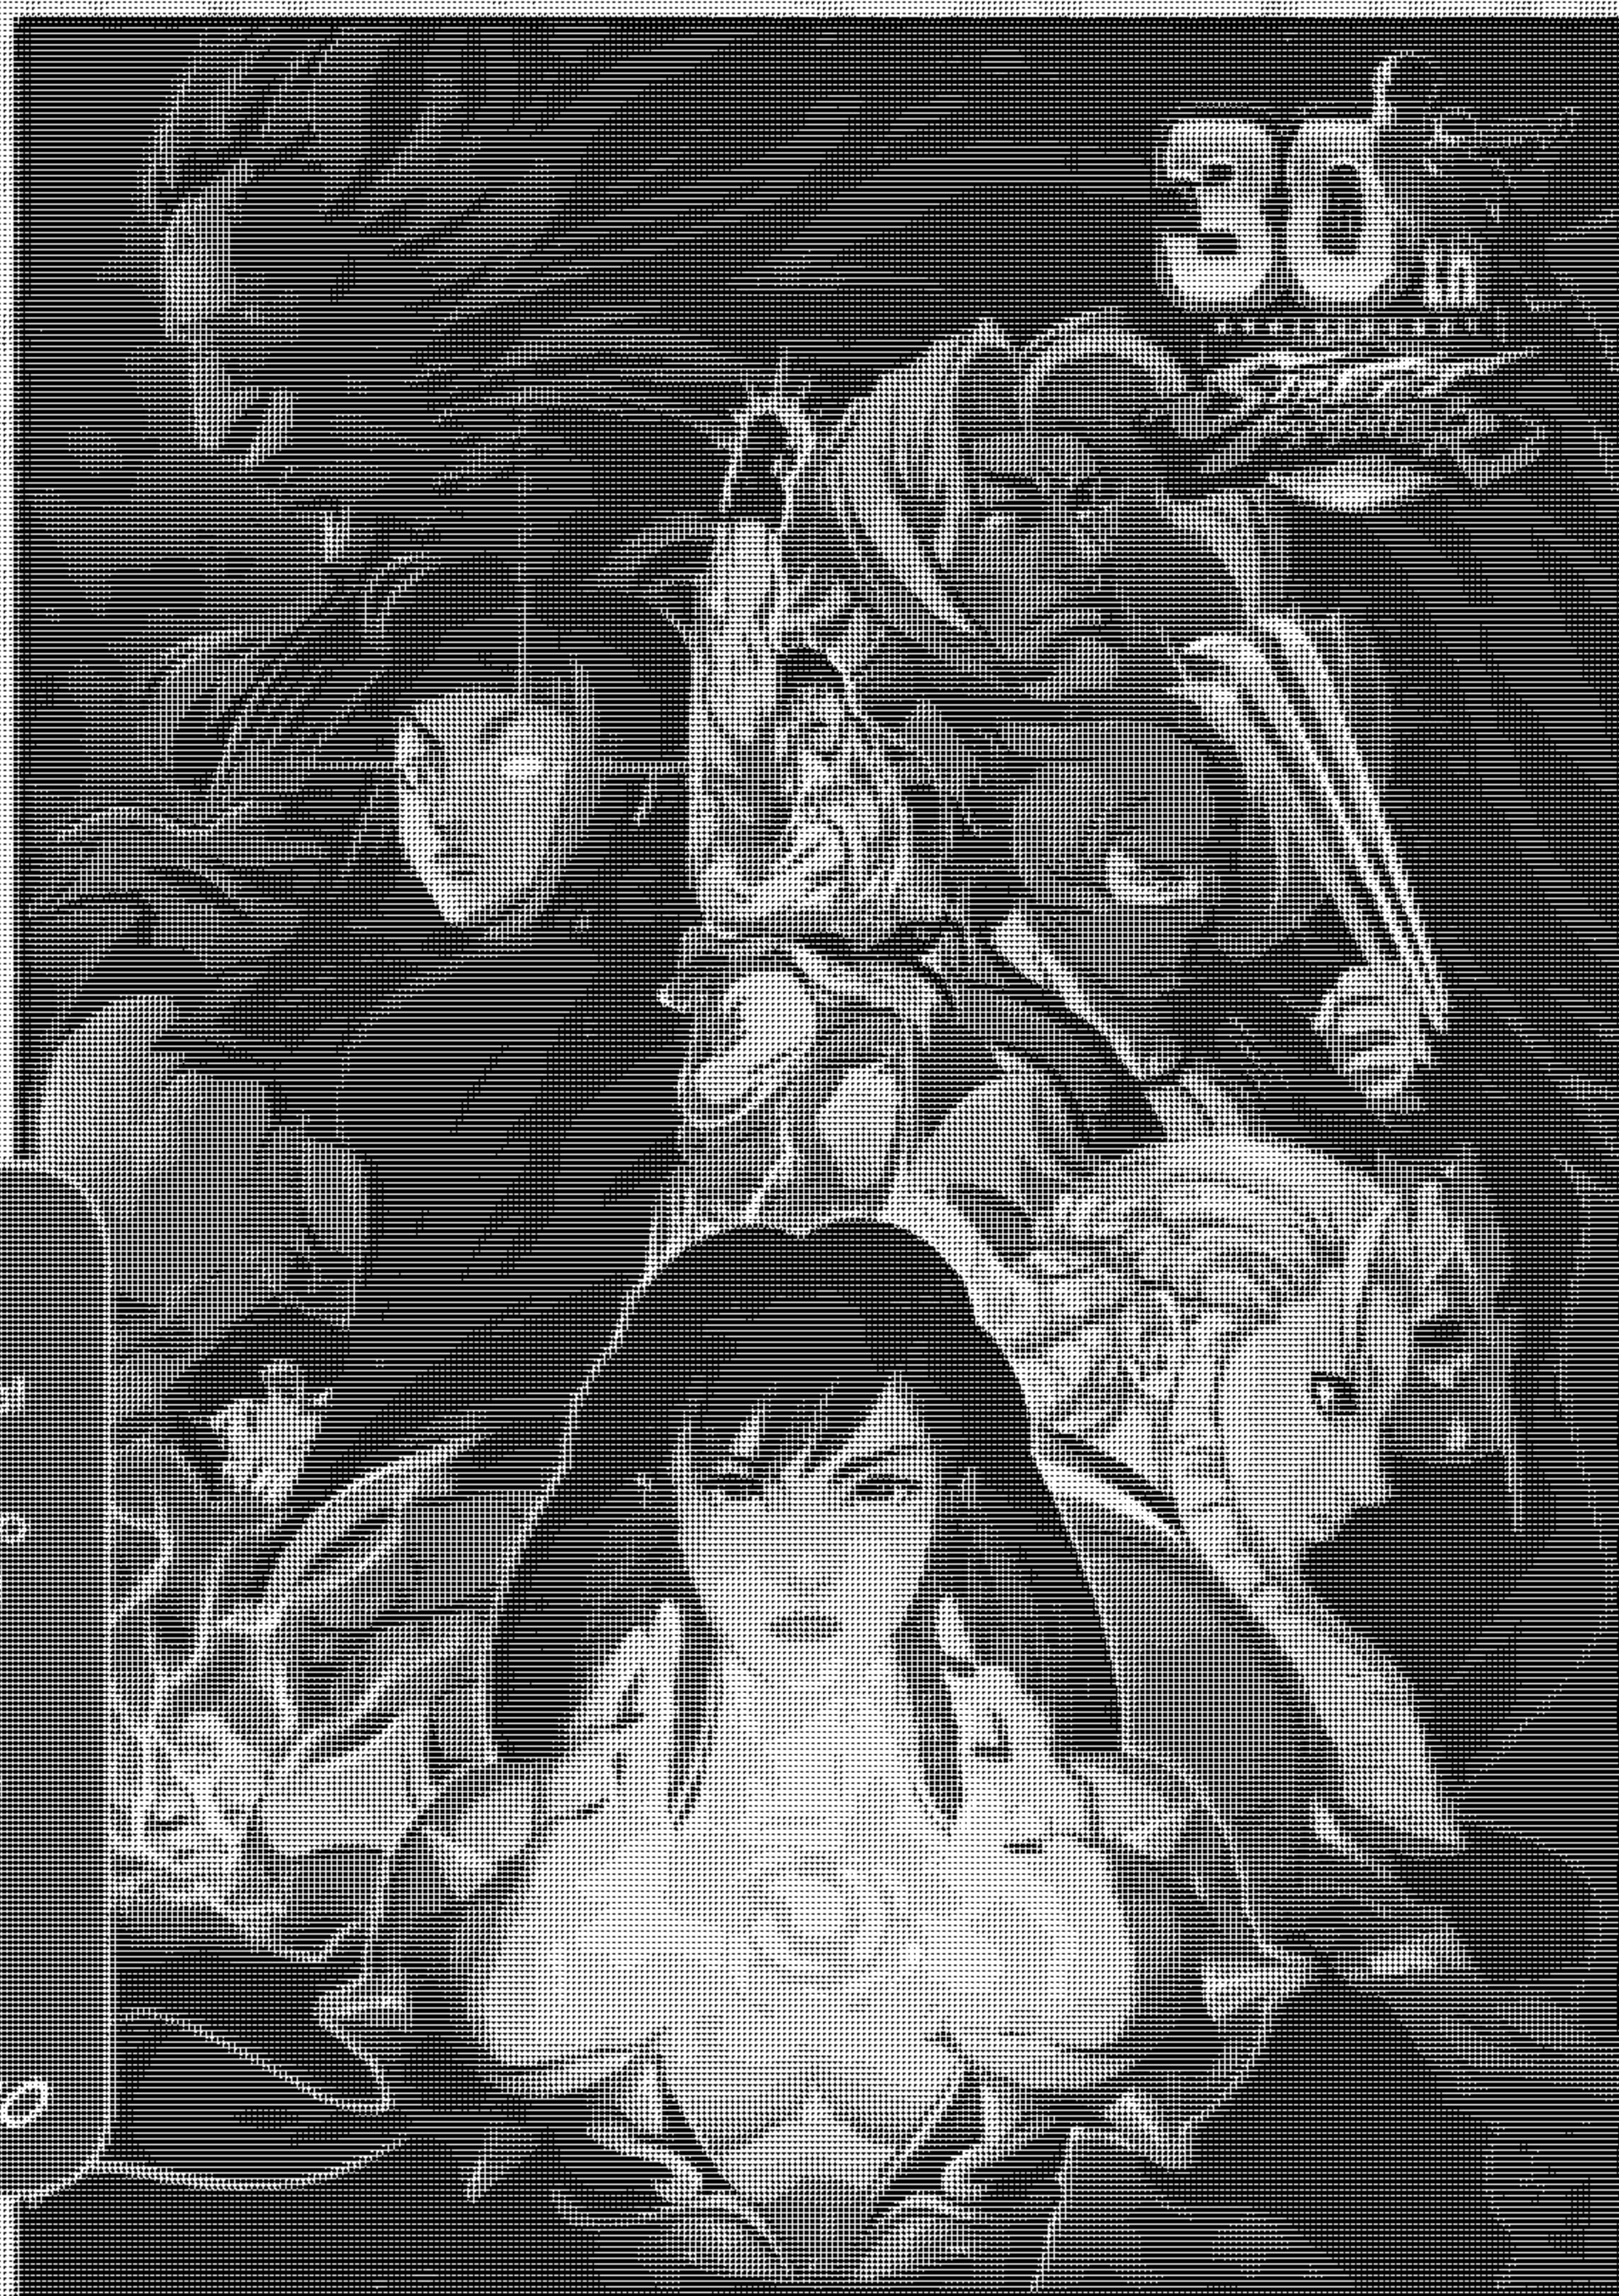

It was truly an honor to be a part of STREET FIGHTER'S 30TH ANNIVERSARY. I had heard that Bengus would be recreating an older piece for the Ultra Street Fighter II box art and also that Shinkiro was signed on to recreate an iconic Akiman piece for the Street Fighter 30th Collection. So when Capcom asked me to create a promo poster to give away at E3, it blew my mind that they wanted me to do my take on a classic Street Fighter II cast piece by Kuni Nishimura. This piece was the final result. Taking an older concept and mixing and matching characters from the current/future cast was definitely a challenge. Always grateful and thankful to be part of the UDON crew and being a part of Street Fighter history!

LONG VO

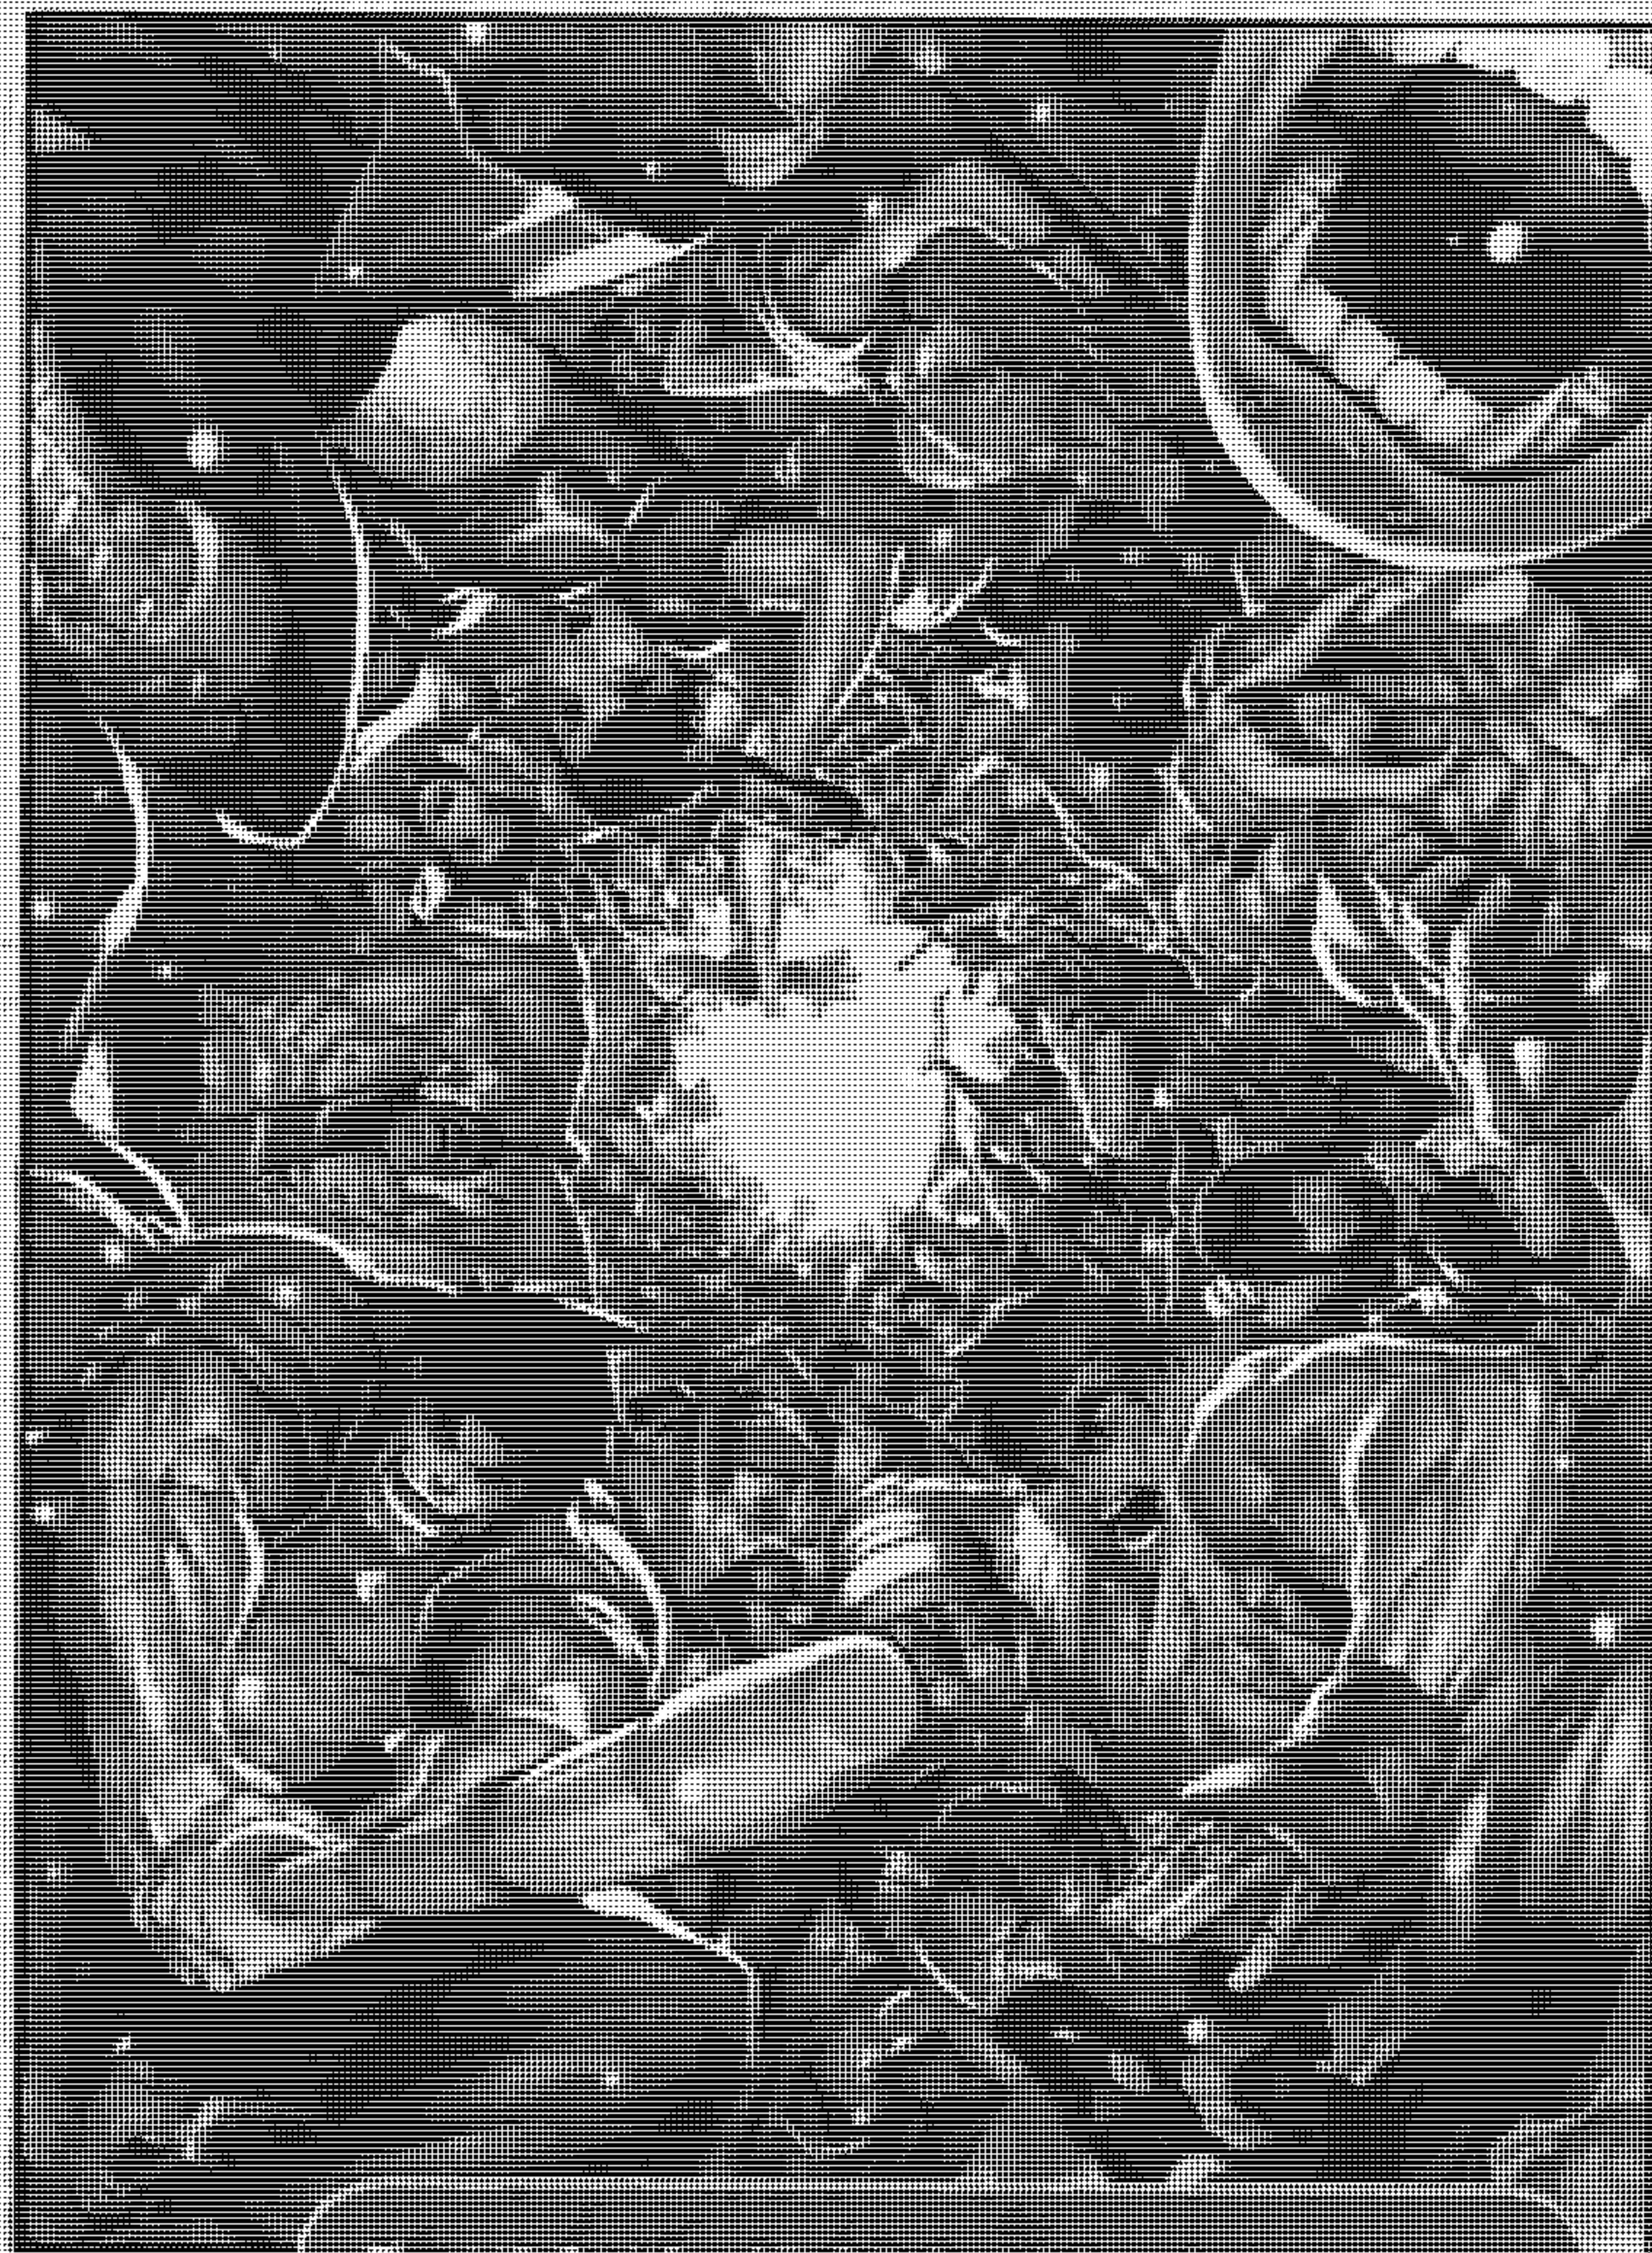

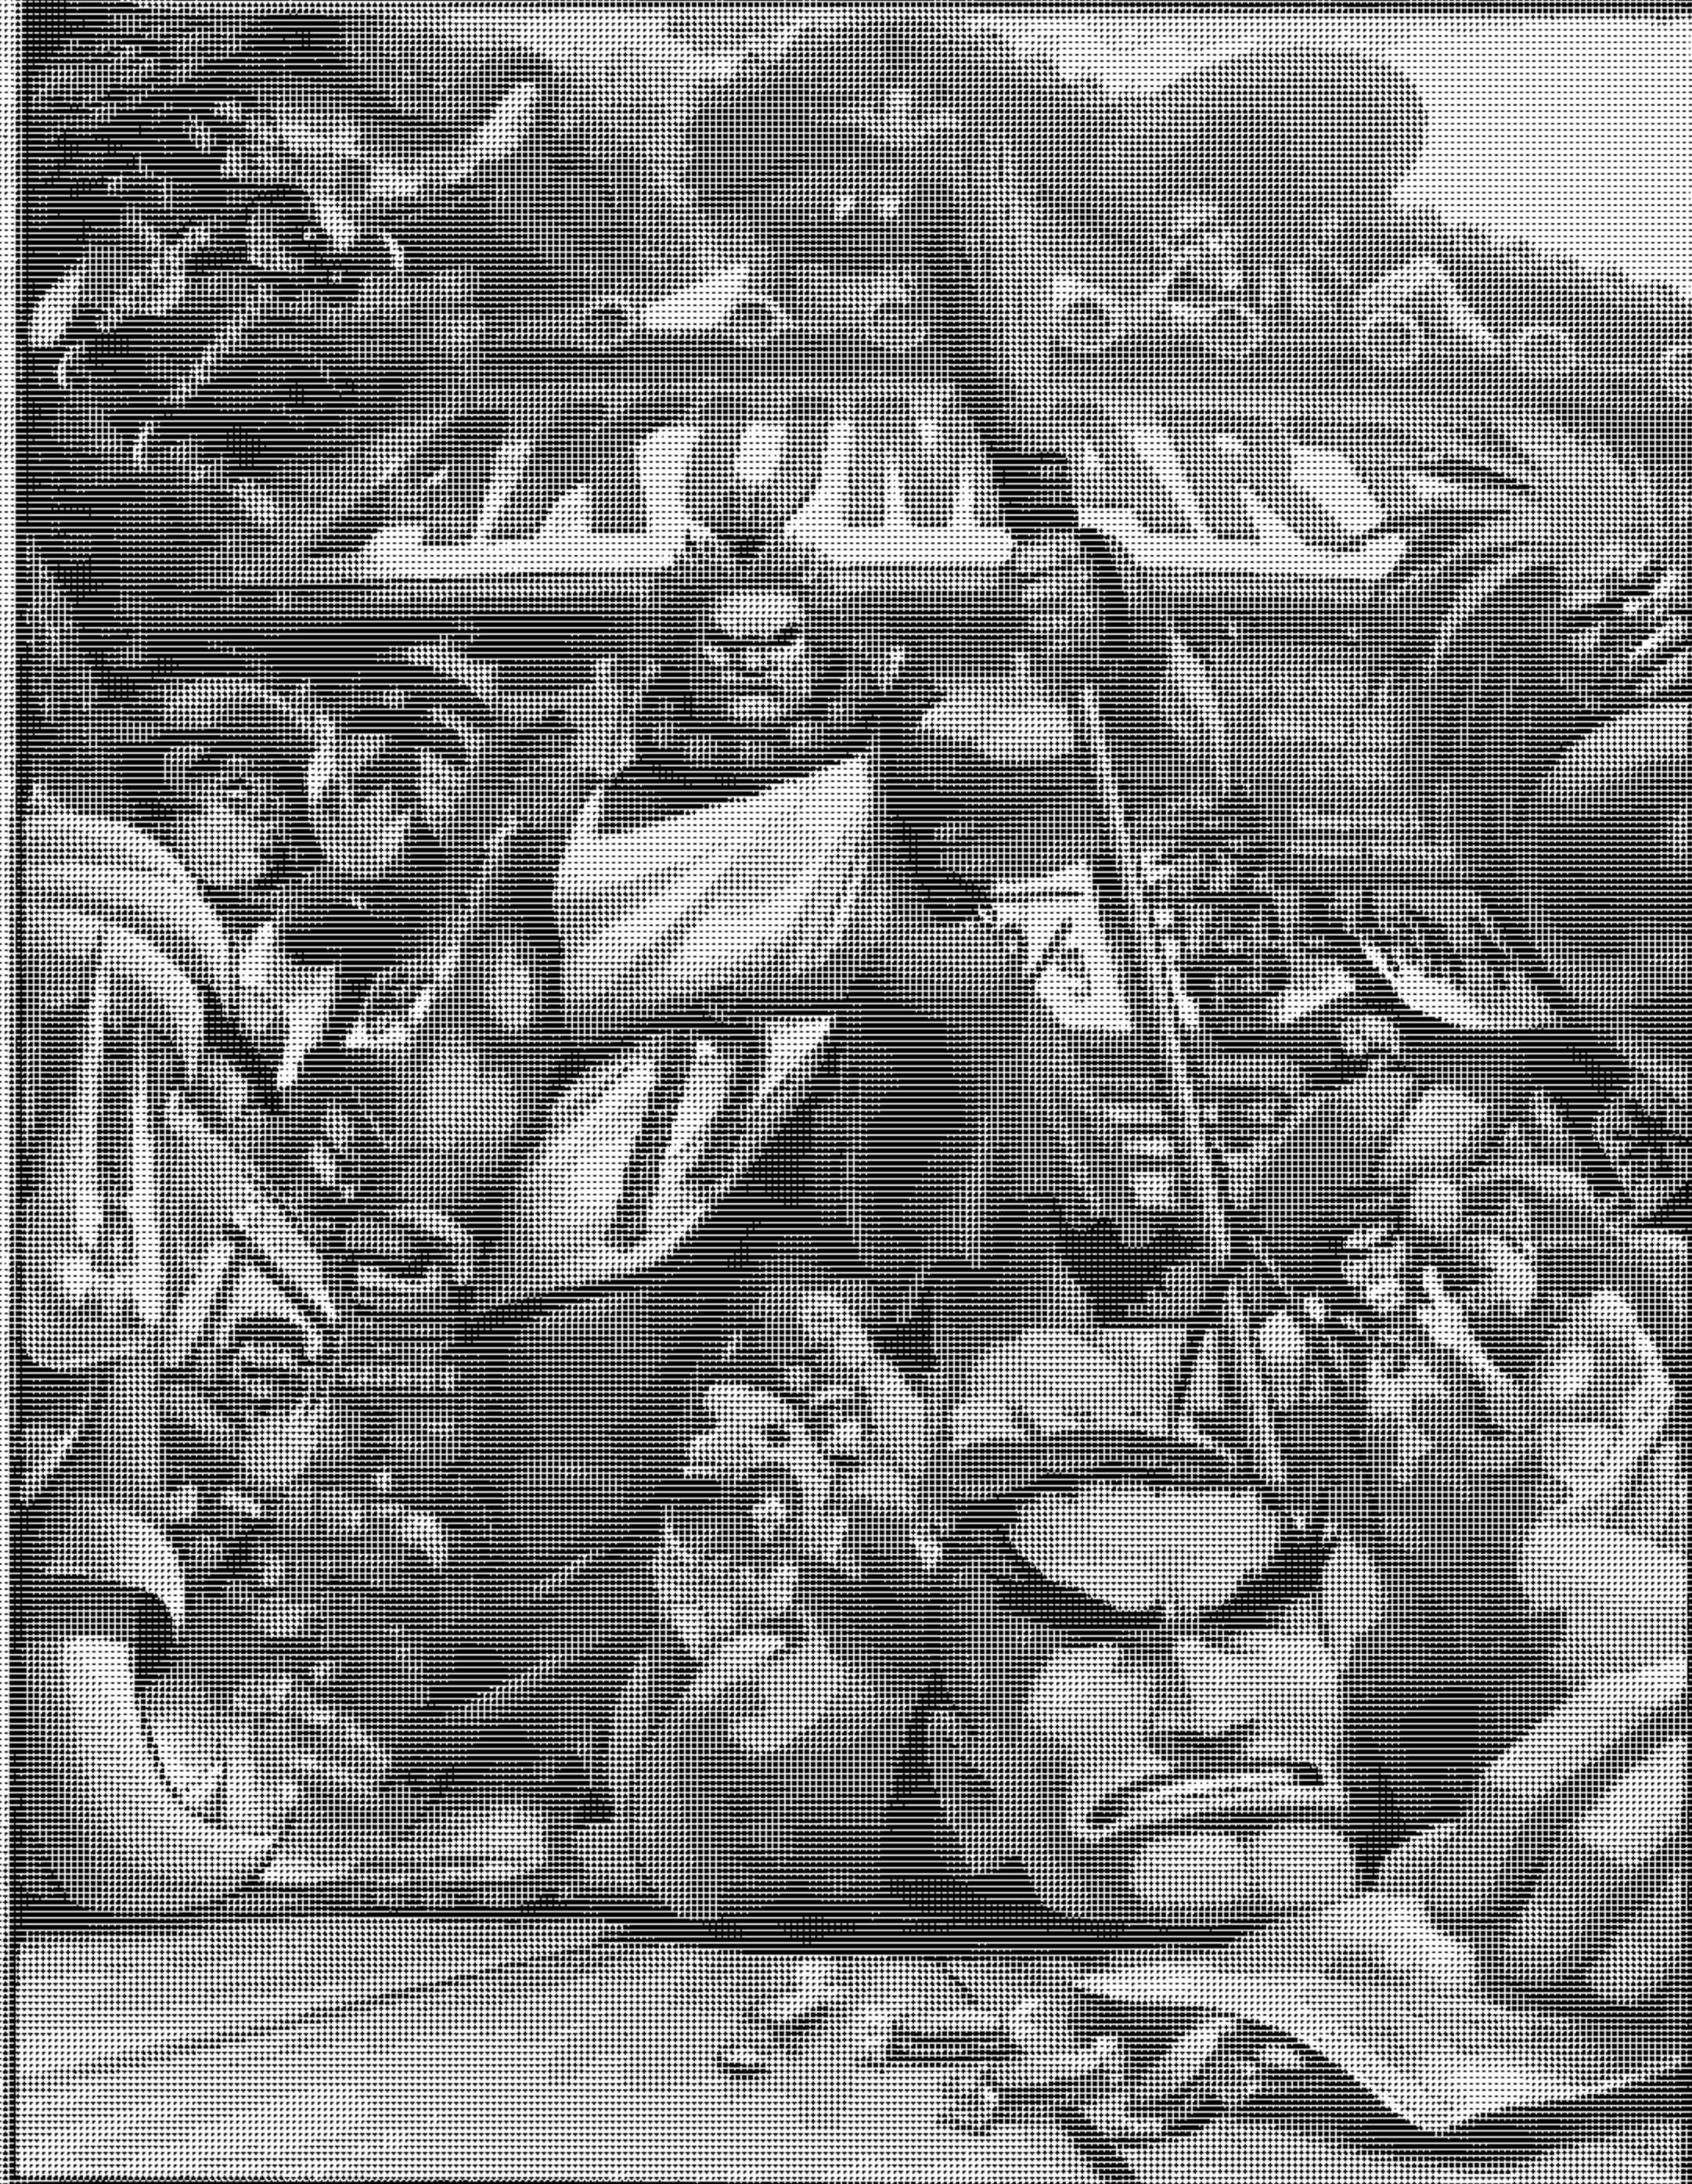

I especially had fun working on the NECRO & EFFIE I-SHOT. My favorite type of story is heavy on action and comedy sprinkled with an appropriate amount of drama. This couple's story delivered just that, it was a blast.

HANZO STEINBACH

The cover to UDON'S ART OF CAPCOM 1. At the time, this was me "try-hard[ing]". I was under a lot of self-inflicted pressure to become better and keep up with everyone else. Every time I see this piece, I seriously doubt I could ever muster the amount of patience, love, and diligence to do this again!

OMAR DOGAN

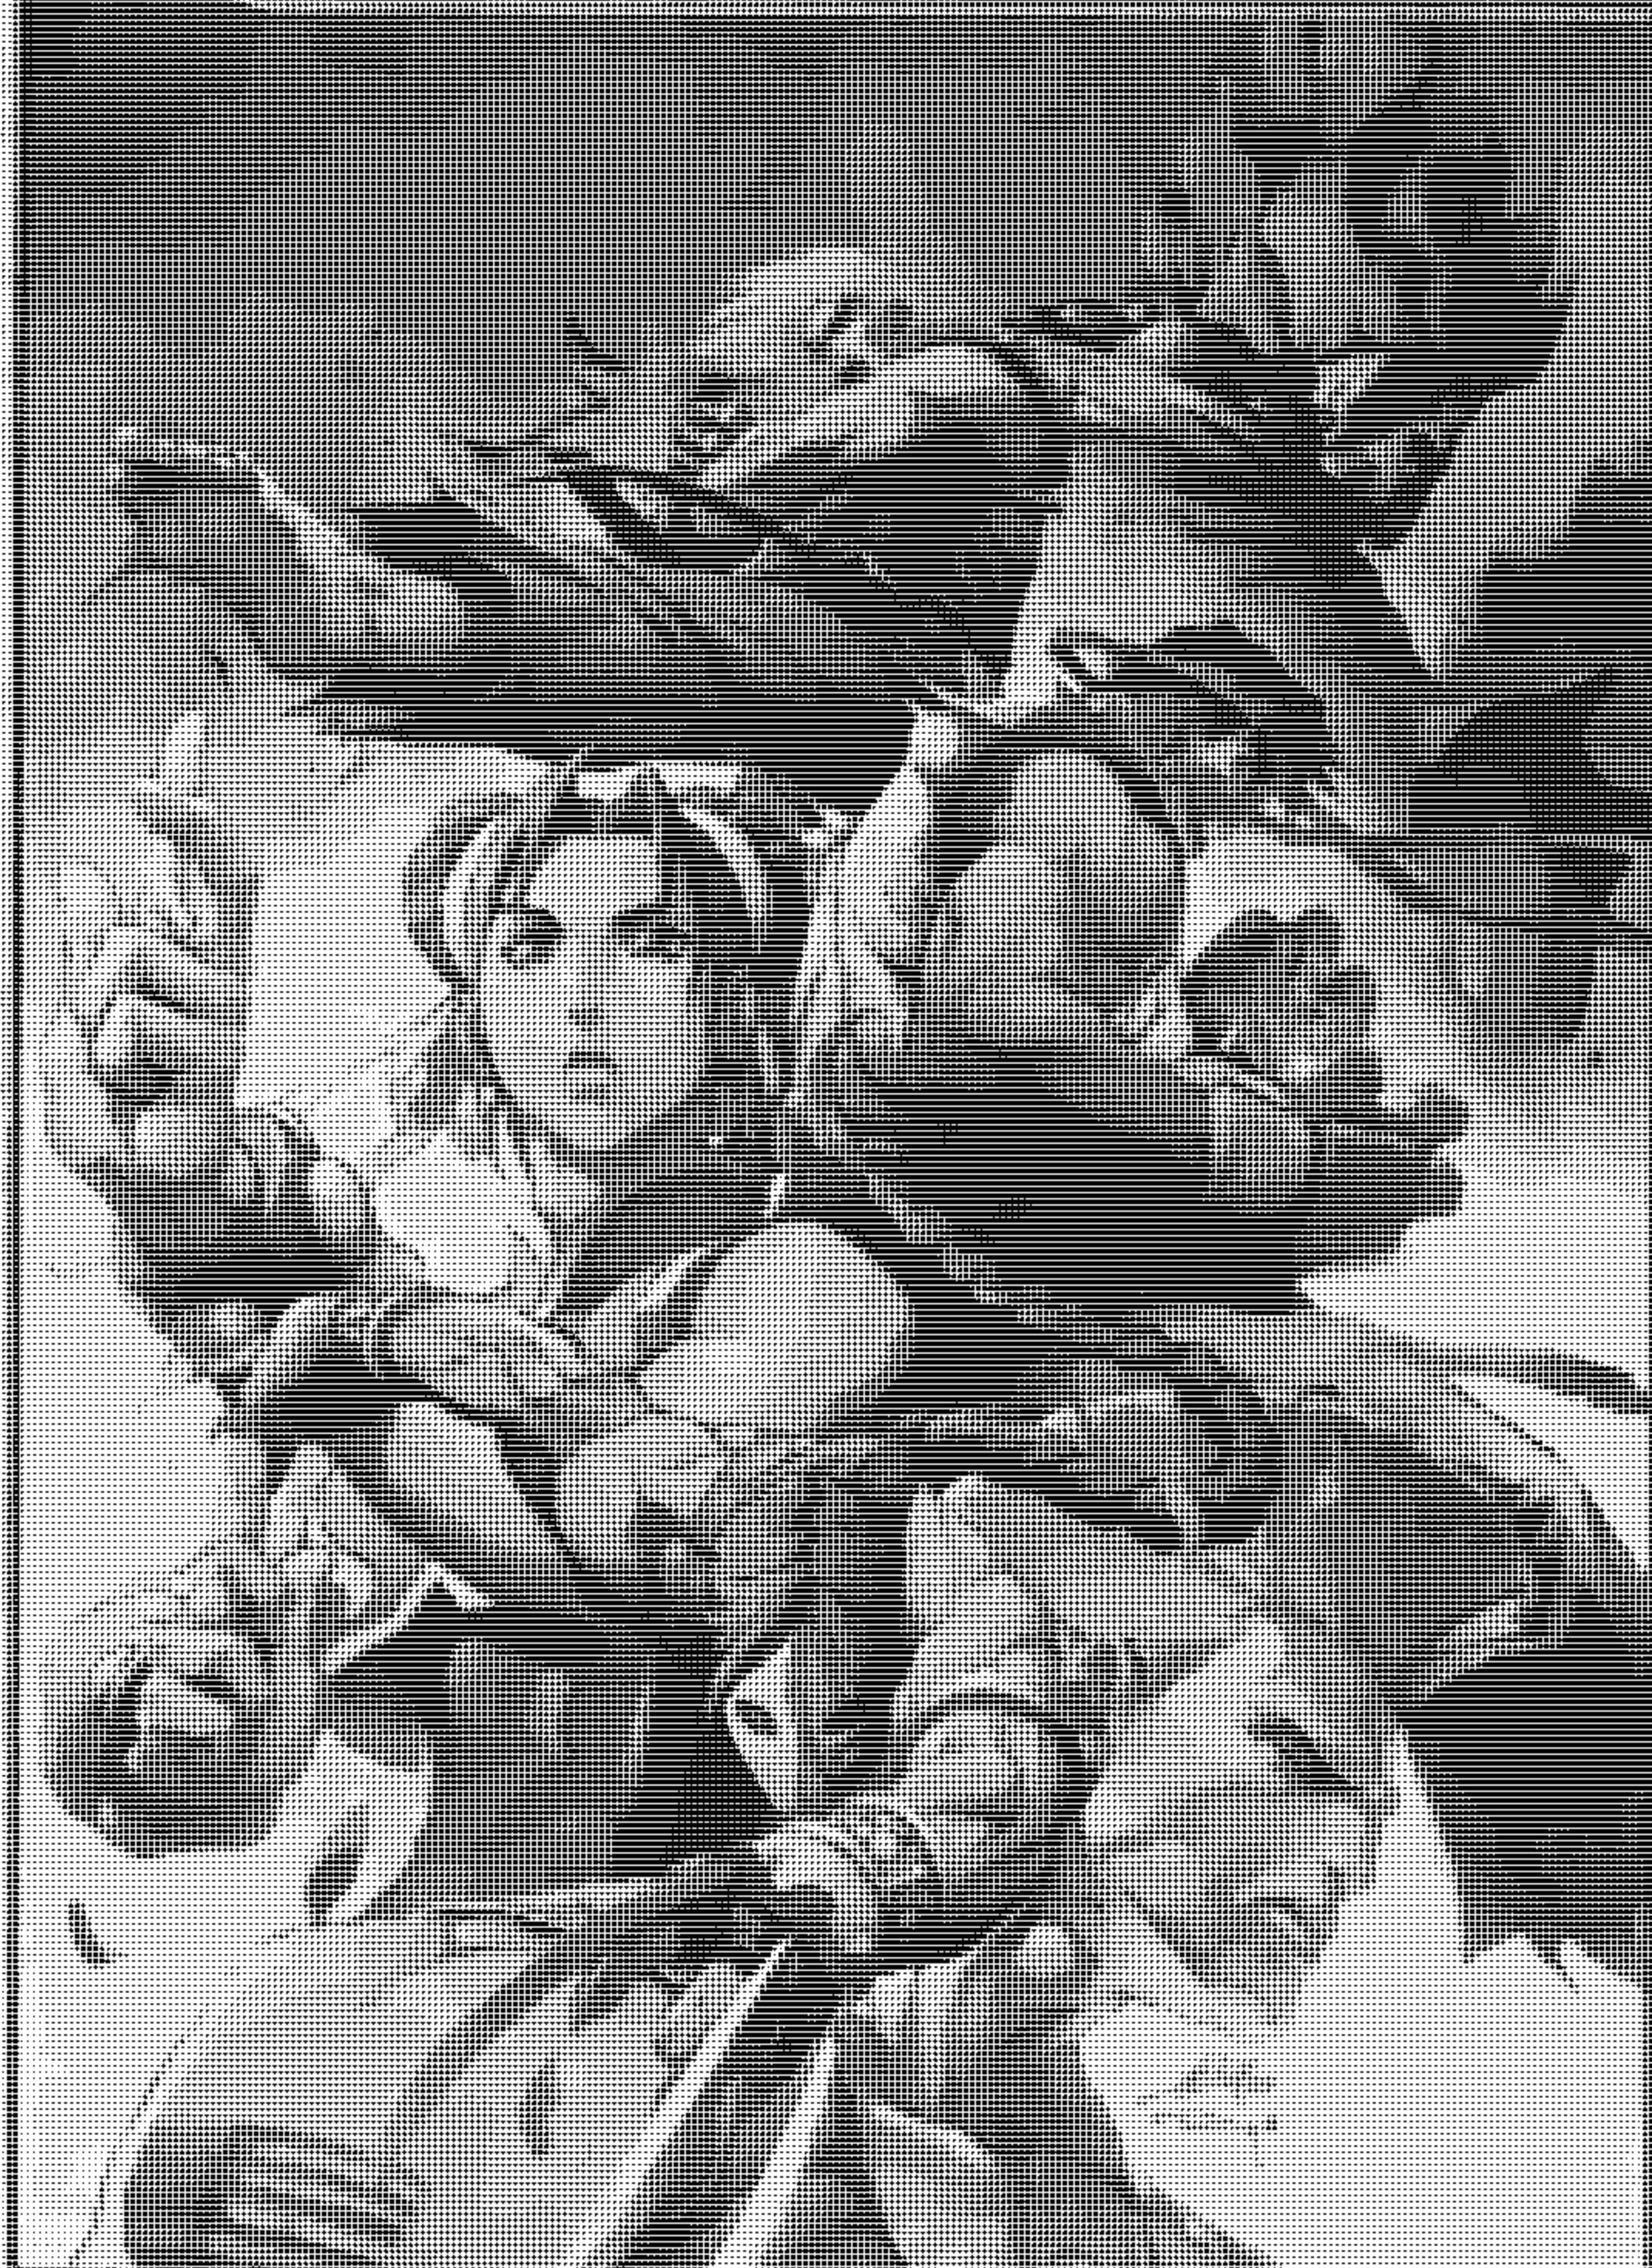

The UDON'S ART OF CAPCOM 2 cover holds a special place in my heart as being my first big art book hardcover. I'll always be so grateful to Erik and Matt for entrusting me to work on this cover. I remember being incredibly nervous not only because it was to be the image that represented all the great artists inside, but also it was the first time I had the chance to draw many of these characters in any official capacity. Big shout out to Sejin Oh who absolutely took my line art to a whole new level with his digital paints.

JOE NG

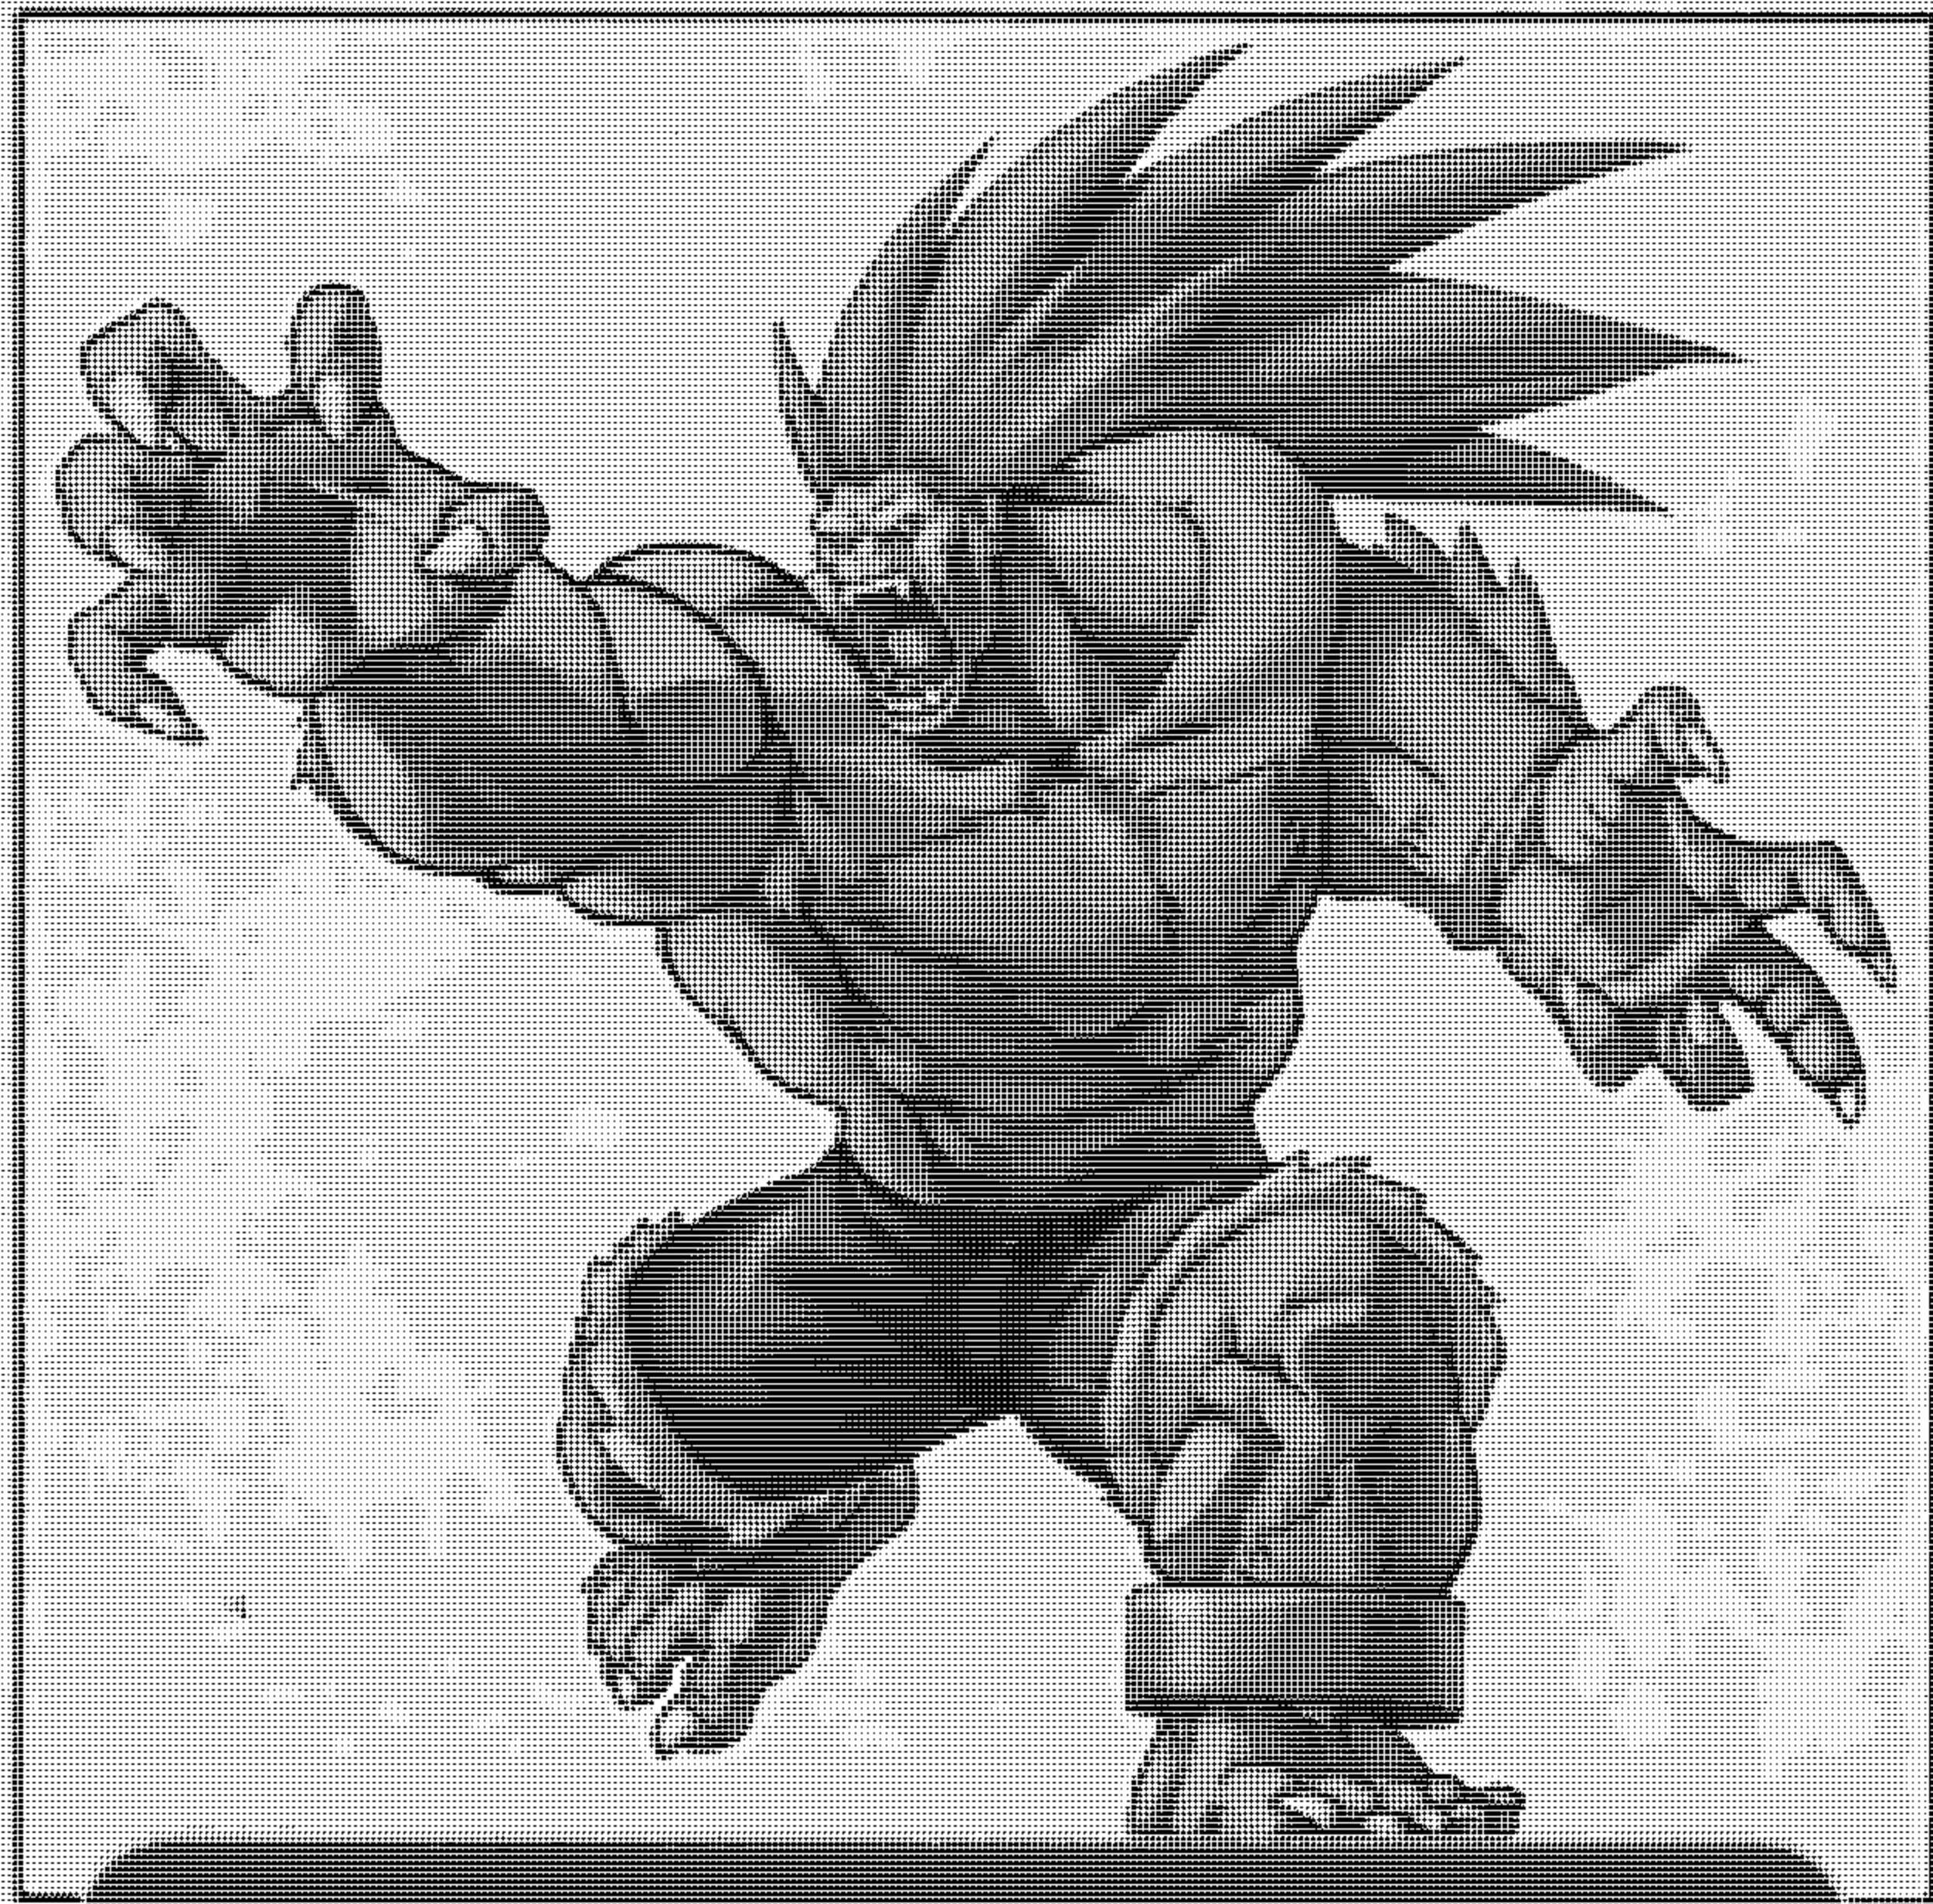

Favorite pieces for me would have to be the Marvel VS Capcom Official Complete Works double spread cover (linework only), and my Street Fighter III tribute colored by Fabian Mark Shraga. Third one would be the STREET FIGHTER #3 cover colored by Ramil Sanga, that was my first Street Fighter cover!

ALVIN LEE

The cover for STREET FIGHTER #1 brings back a ton of memories. Growing up on the art of Capcom and especially Street Fighter, it was incredibly humbling to be able to work with the characters I love, designed by artists I admire. The first issue of Street Fighter and this cover is a love letter to the art that made me who I am as an artist, and it was an absolute honour to have the opportunity to work on it.

ARNOLD TSANG

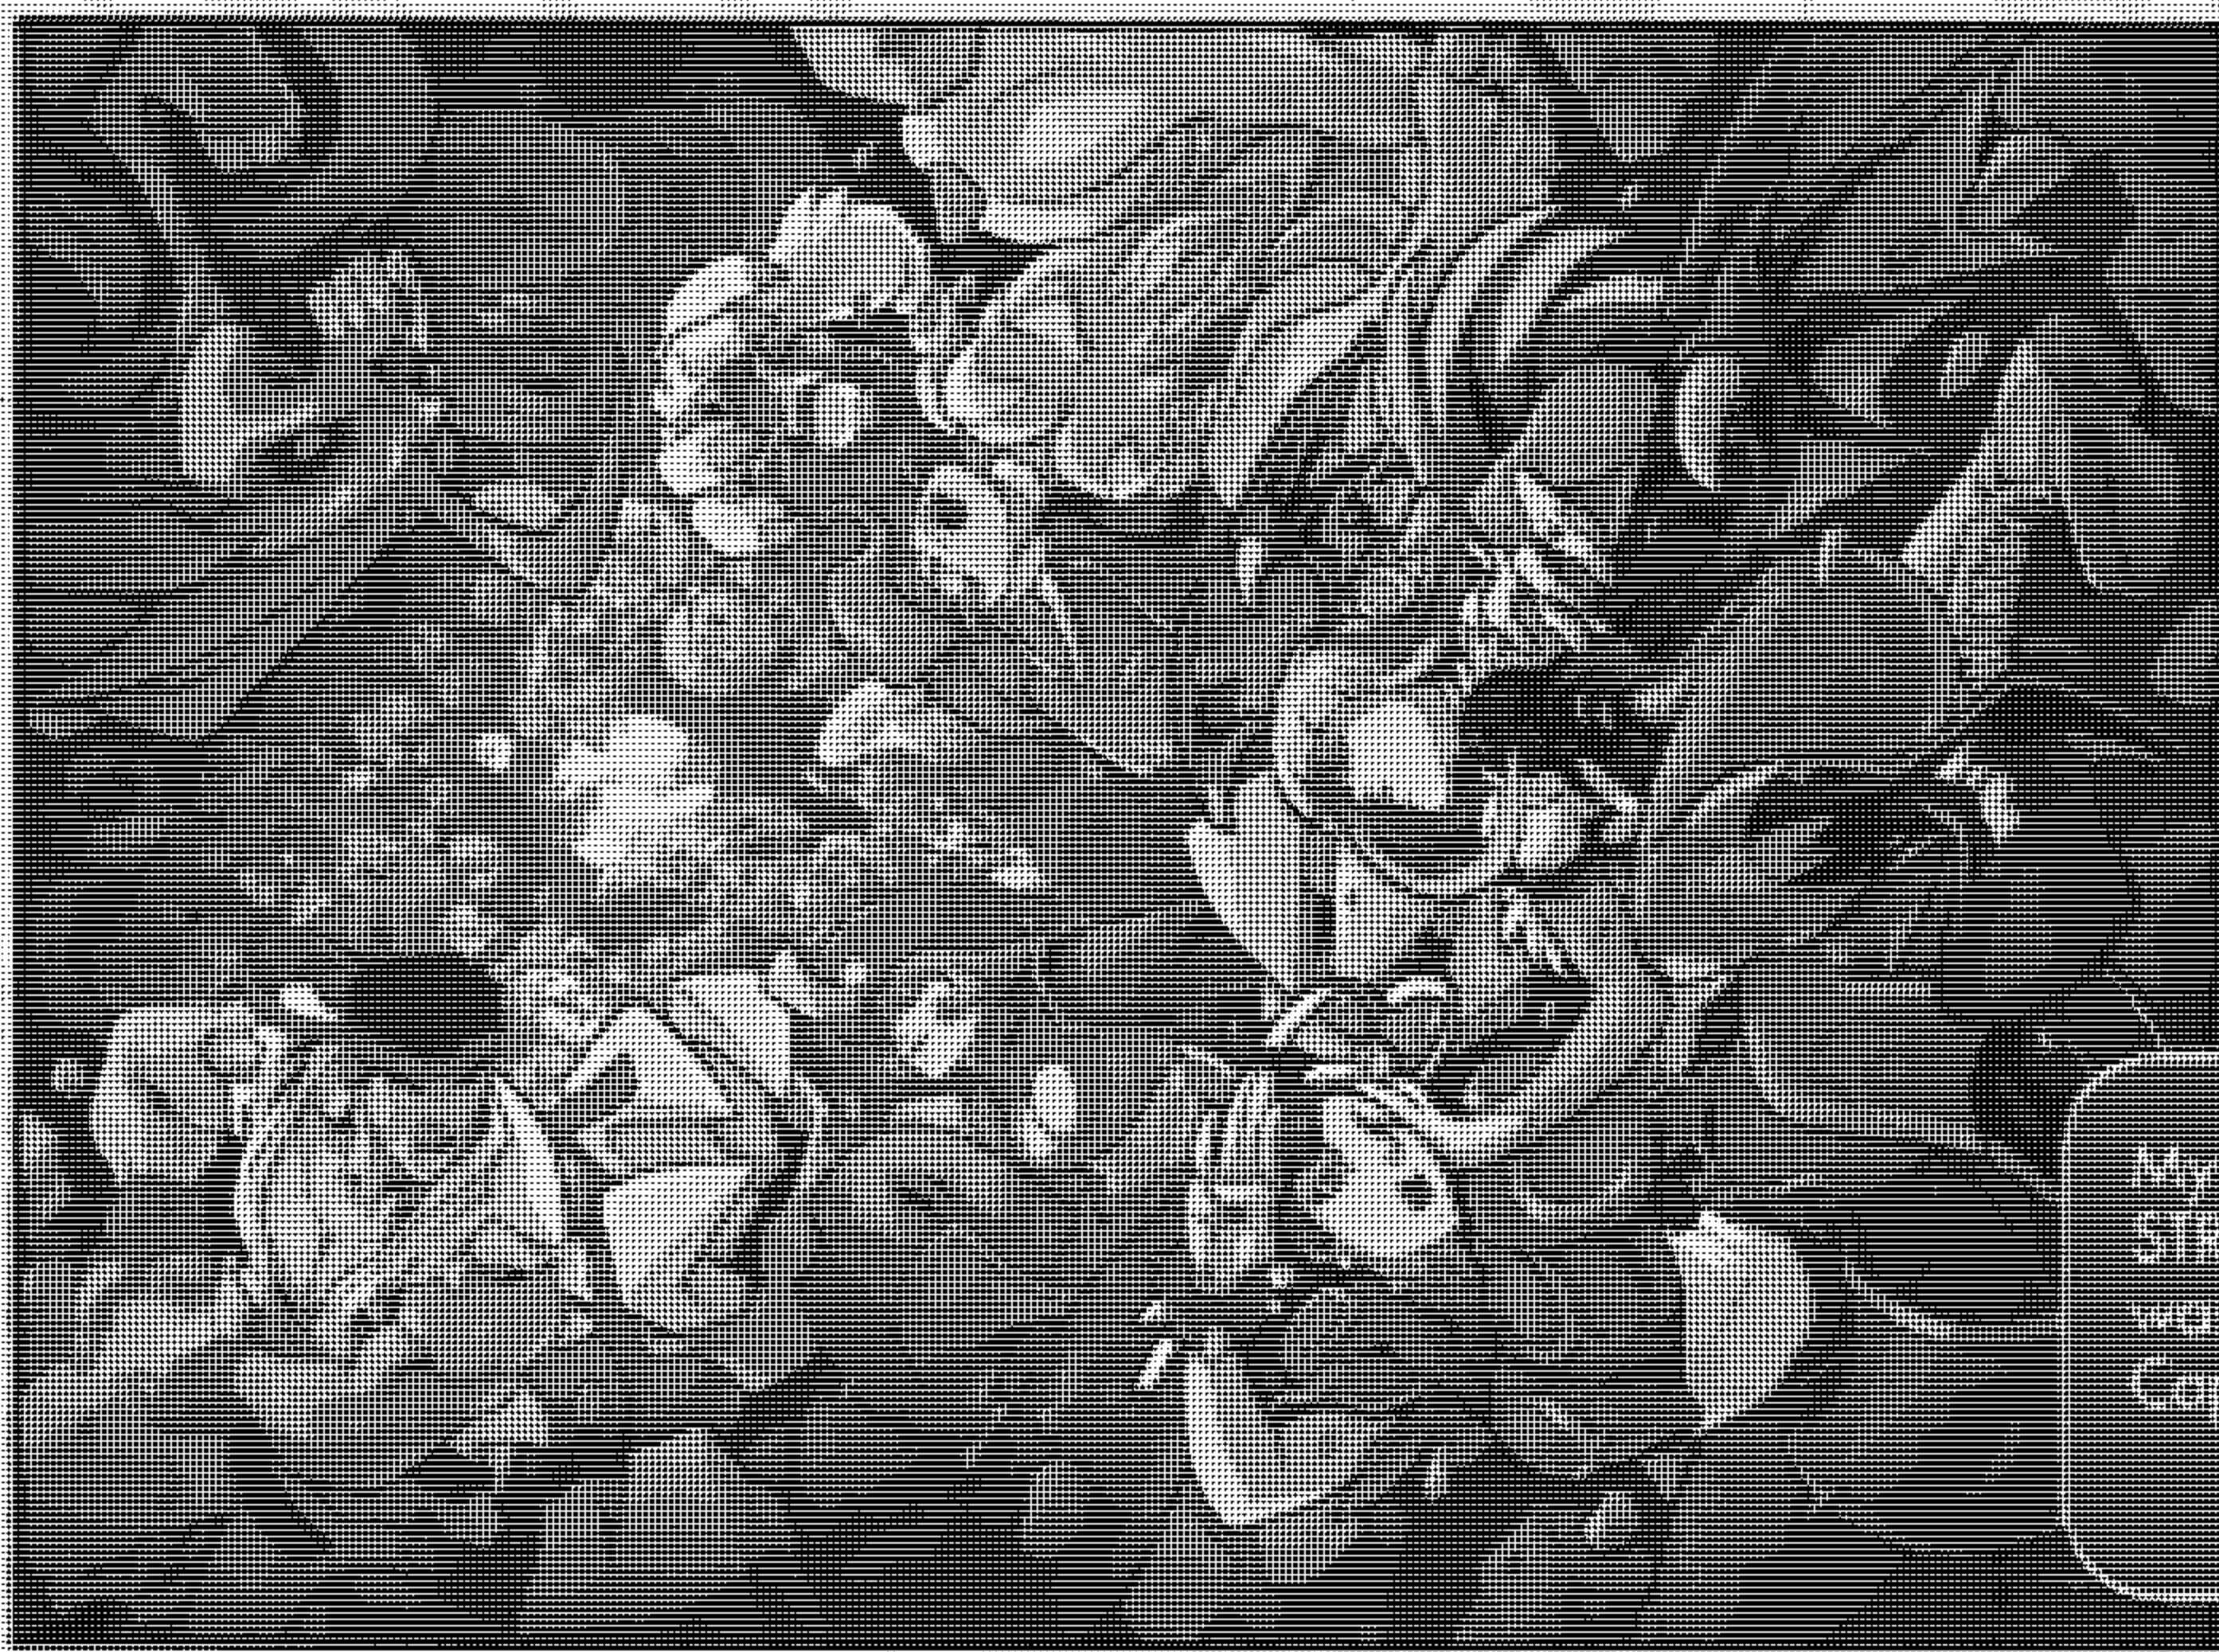

I think the first Blanka spot illustration I did for UDON would be my fav. It was part of UDON's initial Street Fighter comic announcement. It's my fav because it was my first official Capcom work! Bucket list checked ya know?

JOE VRIENS

My favorite image is STREET FIGHTER D&D, an image that I did for the tribute gallery in UDON's ART OF CAPCOM 2. I really like this piece because I could put two of my passions in one image, one of them is the fantasy world and the other is Street Fighter characters. Each one representing an archetype: Ryu as a warrior, Ken as a knight, Cammy as an elf, Dohlim as a druid, Chun-Li as a paladin, Sakura as a wizard, Sagat as a dragon and M. Bison as a warlock.

GENZOMAN

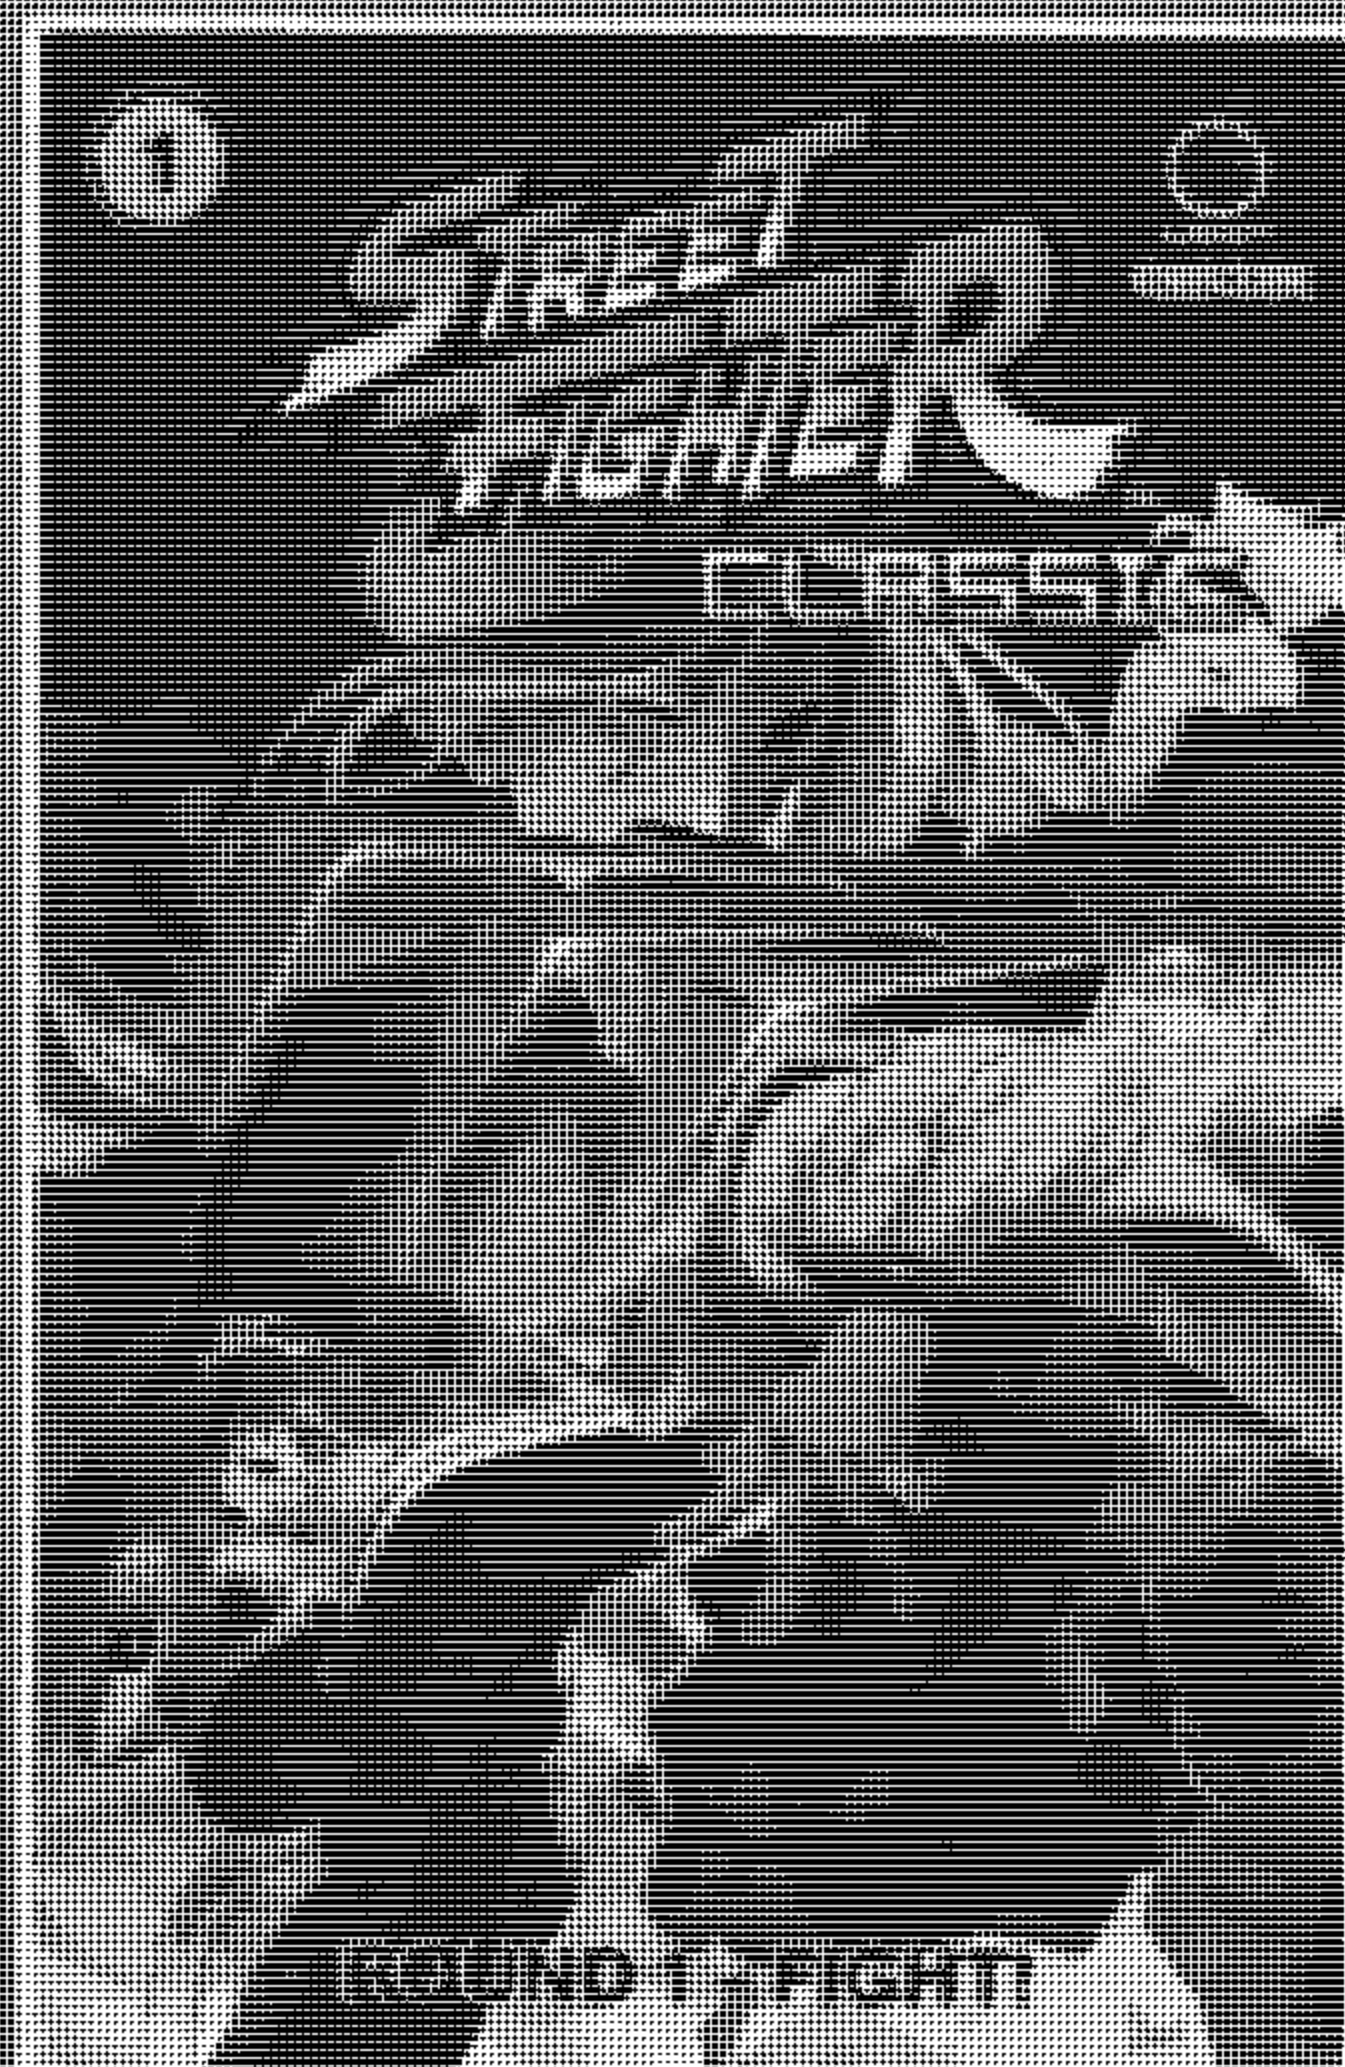

My favorite UDON piece has to be something STREET FIGHTER VS DARKSTALKERS related. It was an absolute delight drawing my two favorite Capcom franchises in one!

EDWIN HUANG

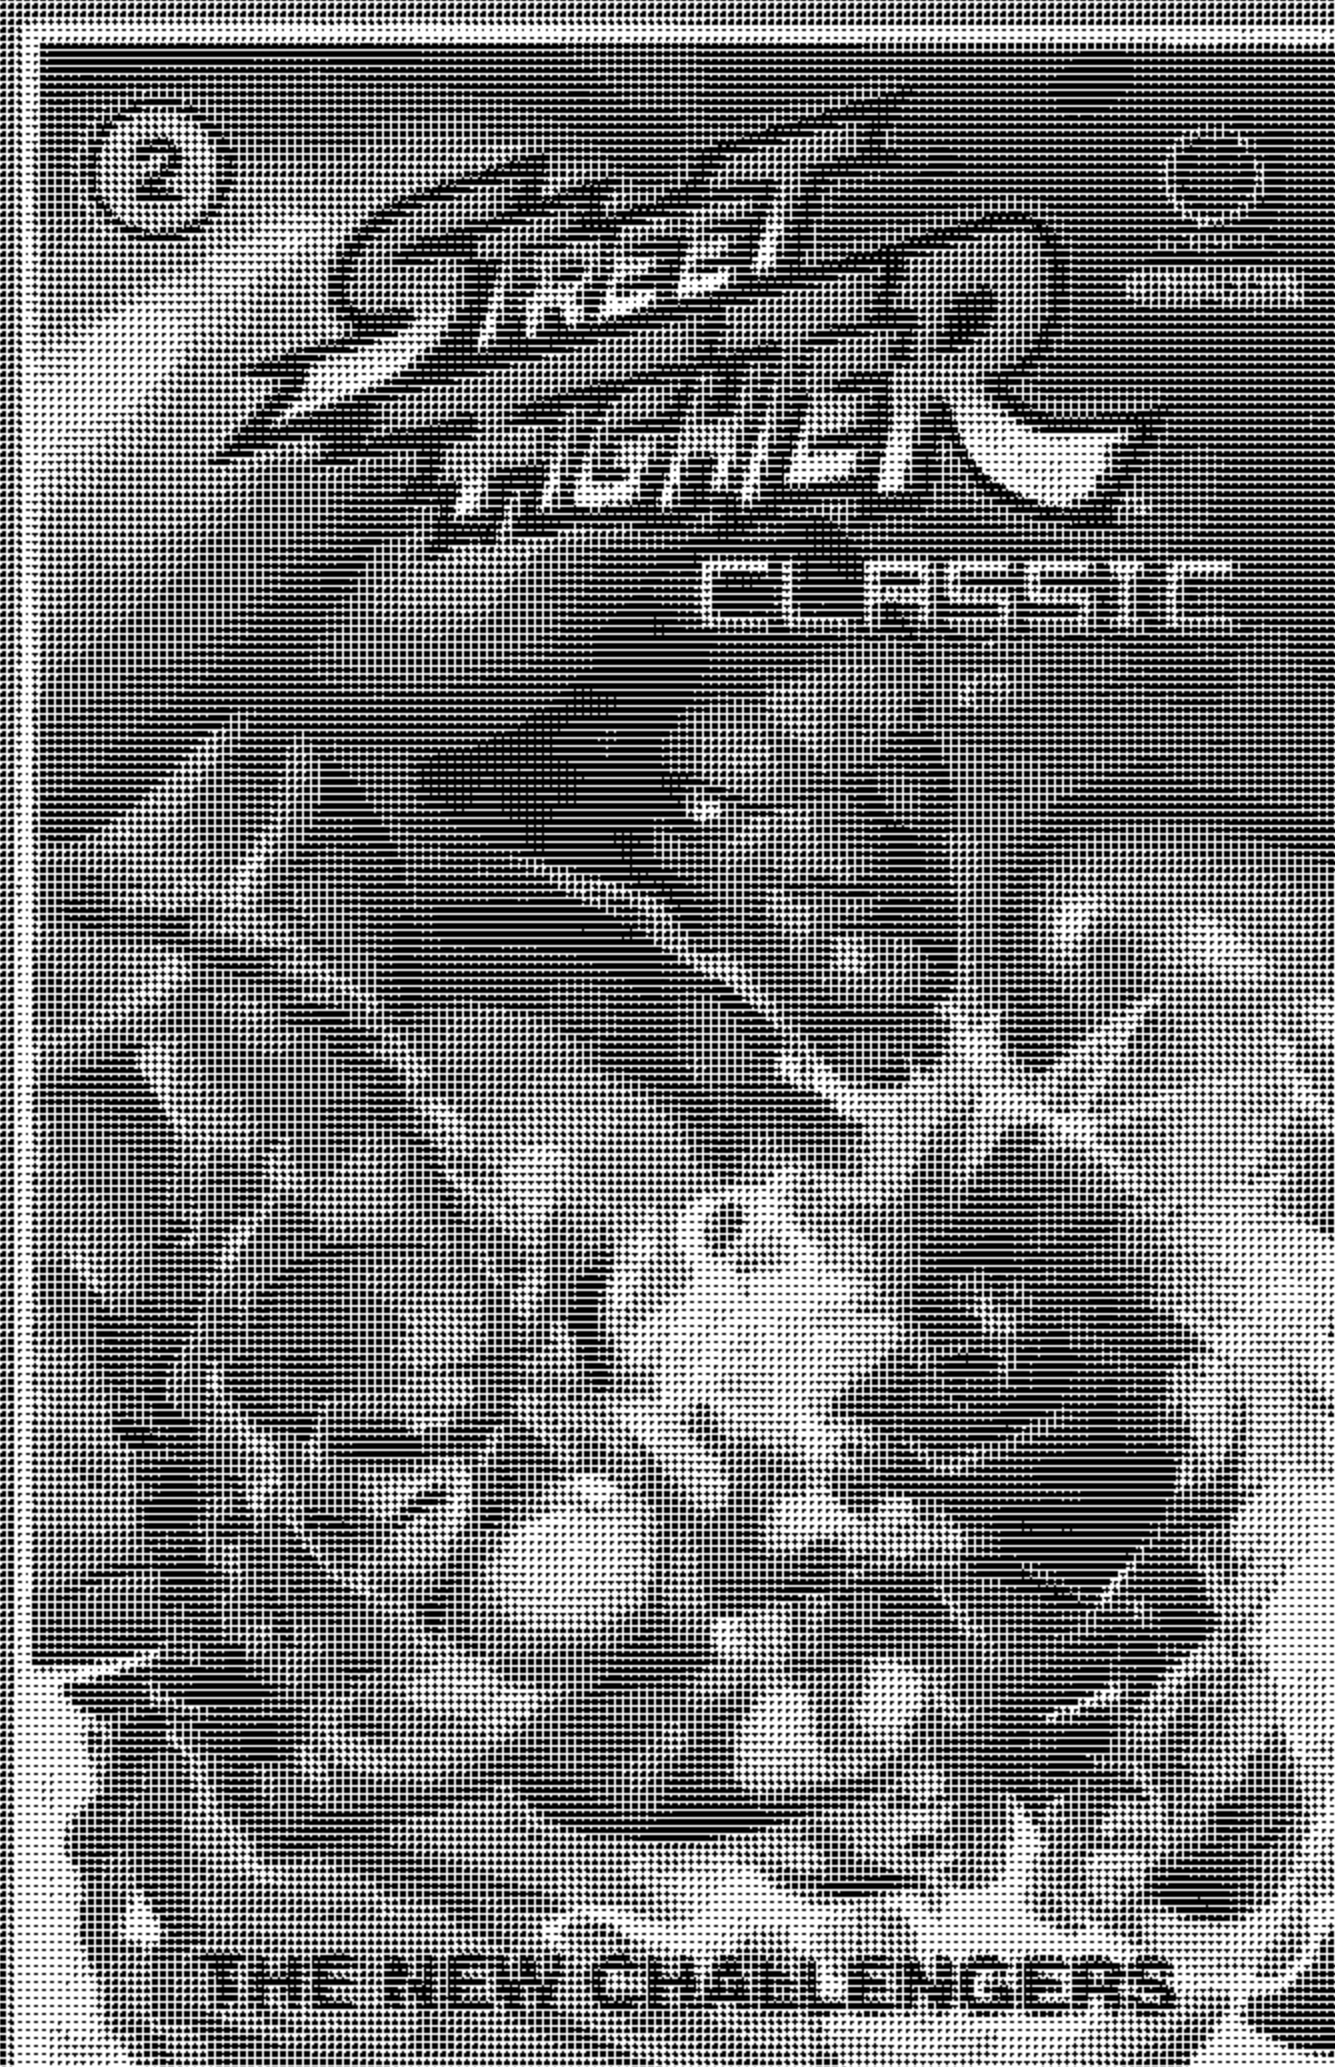

Cammy was my first love upon playing Super Street Fighter II, and Killer Bee is my favorite iteration of her. So, it was an honor to illustrate her and the rest of the Dolls on these special STREET FIGHTER LEGENDS: CAMMY cover!
