我告诉你,她人就那么走了,消失了.
我觉得不对劲.

你就爱胡思乱想.
都是这雾气和热浪闹的.
扰得你心神不宁.

乔治娅没准是回南方
看她妈妈去了.

她妈早死了,她连个
亲戚都没有.连个躲在哪的
兄弟姐妹都没有.

是怪可怜的,可她就
这命.所以我觉得
这事最邪门.

哦,露西,你
这嘴真缺德.

你巴不得出点事呢.
你就盼着是个拿刀的疯子,
是个开膛手杰克.

这地方什么
疯子没有?你心里
清楚得很.

寻常的疯子.
寻常的胡言乱语.
钱给够就行.

隐形人

第三章

比死更糟的

我听见父亲跟亚瑟说话，
他说你下班后就没再用实验室了，
可你明明没停下工作。

我在镇上租了个小房间，
坎普老来打扰，我不能让他
偷走我的研究成果。

嗯，我在想去乡下我
表哥的房子住段日子，
那儿又舒服又凉快。

也许我们能想办法
让你也一起...

再说吧。

闷热黏腻的暑气
令人窒息。

实验室里一片漆黑,即便在深夜
也是如此。动物尸骸和化学制剂
的气味刺鼻灼眼。

几周来,研究进展顺利,我的实验对象已能
稳定实现完全隐形,我也开始完善配方。

我一直在担心,如何将实验扩展到
更庞大,更复杂的主物体。

进展越稳定,我就越确信
能让人类隐形。

但从何
开始呢?

我渴望自身发生改变。
我开始练习隐身。

戴上帽子,眼镜,穿上外套,
围上围巾,我就能从世界中
隐匿。

有时我会走进热闹的酒馆,坐在角落的桌子旁,看看人来人往。

我静坐不动,只要不引人
注意,就无人打扰。

我们想着能站在那些对着
啤酒杯大笑的年轻银行家
身旁,偷听他们秘密的
谈话,他们的诡计.

我们想着尾随他们回家,
不被察觉,在他们最不
设防时观察他们.

拿取我想要的.

是啊,我可以毫无束缚地穿行
于权力的殿堂,随心所欲地
利用他们的秘密.

谁能阻止我?又有谁
知道要阻止我?

先生...

好吧。

我没什么钱。

坎普有些小家庭可以
依靠,但我长期仰赖
克兰利的慷慨。

我的公寓是他的,实验室和里面所有
的化学品也是他的,他只给我微薄的
薪水,一点月度的零用钱。

远不足以在没有他资助的情况下
继续我的研究。

要完成工作,
我需要隐私。

我在镇上名声不佳的区域
租了个小房间,用假名签了约。

并且,我需要寻找一个能提供成果
给克兰利看的实验对象。

迄今为止,街头总能提供我所需要的东西,
那些无人问津的流浪者和阴沟里的生物。

这次,它们也会再次
满足我的需求。

年轻人，
你叫什么名字？

抱歉，
先生？

你的名字。

我叫汤米。

想不想赚几顿饭钱，
汤米？再有个床睡觉？

你把我当什么人了？！
先生，我不过是想讨几个子儿。
我可不想沾上什么恶心勾当！

你误会了，汤米。
我是个科学家，需要帮助。
一个...算是助手吧。

我对科学一窍不通。

我们两个中，
我懂就够了。

我的研究能推进到人体
形式,这感觉很好。

实验对象很顺从。
白天,我给他下药,
堵住嘴,绑起来,
让他没法报警。

只用了几天,他就
意识到反抗我
是白费力气。

晚上,我让他吃好,
并测试我的配方。

人体的复杂性被证明几乎是一种超自然的
谜团,但我一步步取得了进展。

在一起几周后,我甚至可以说,
我对这个慢慢消失的男孩
产生了些许感情。

他开始问我,发生在
他身上的事,背后的
科学原理是什么。

我猜是莫诺卡因让他头脑
变迟钝了,但我乐见其成,
并鼓励他提问。

在默默工作了数月之后,能大声
说出我的方法真是太好了。

只有一个问题让我
骤然停住,他想知道
这个过程如何逆转。

我无法形容这个问题在我
心中激起了多大的愤怒。

这个愚蠢的年轻人难道不明白
他被赋予了怎样的力量吗？
隐形将置于他掌中的力量？

但我保持沉默. 这力量永远
不会由他掌控. 我证明了
配方在人体上可行.

他的眼睛是最后消失的.
我记得看看它们带着最后
那洞察的目光离去.

我会让他度过最后
一晚, 然后像处理
之前许多流浪动物
一样处理掉他.

MONSTER MAIL

Got something to say? We want to hear from you! Email us at: UniversalMonsters@skybound.com and mark "OK TO PRINT!"

My fellow monsters!

Welcome back to MONSTER MAIL! Senior Editor Diegs Lopez taking over for Monster-in-Chief Alex Antone this month. As Alex mentioned last issue, he is taking a small hiatus from the comic book laboratory to spend time with his new baby! And as the great dad he is, I'm sure he won't be introducing his baby to the madness of Jack Griffin any time soon. Speaking of which, what a horror show! It seems like Jack's ambitions might be catching up to him with Tommy on the loose. And having read the final issue, I guarantee it's going to be a gruesome finale!

Now, let's dive into some letters for THE INVISIBLE MAN #1!

Dear Monster Mail,

I first have to say a big THANK YOU to everyone that has been involved in bringing the Universal Monsters back to comic books as it's been long overdue and you guys are killing it! I have enjoyed them all this far with Frankenstein being at the top as that was just such a masterpiece of classic horror and Michael Walsh added such a great touch on putting where many of The Monster's body parts came from. This far after reading the first issue of The Invisible Man I am very interested just how dark and twisted the mind of Dr. Jack

Griffin really is! I hope that coming soon on the slate of Universal Monster comics is The Wolf Man and Dracula's Daughter as they are my two favorite films in the legacy and it will be great to see what creative teams tackle these two. I do have one question as well and that is have you guys considered doing one shot issues for some of the lesser known Universal Monsters like the ones that also had the Sci-Fi touch like Deadly Mantis, The Mole People, Monster On Campus, The Monolith Monsters or Tarantula as these films would make for great comics and also a great way in-between series give us readers a little more. Thanks for your time as well as for making comic book reading spooky again!

Matt Brassfield
Dayton, Ohio

Thank you, Matt! I'm glad you have been enjoying the Universal Monster line so far! I know Michael and Alex and all the creative teams have really worked to expand on these classic stories and characters with something new for every type of fan. I hope we've delivered on showing just how depraved Jack Griffin's mind is in this issue and as for future books, I'll just say there are more Monster books planned for 2026 that I think you'll be excited to see, especially with one of the furrier monsters of the bunch!

As my local community's resident mad scientist, I was eager to purchase the first issue of UNIVERSAL MONSTERS: THE INVISIBLE MAN. Jack Griffin is a timeless monster, but when you get to see his story presented by the masterful duo of James Tynion IV and Dani (whose artwork is always gorgeously rendered), it is required reading! I was not disappointed in the first issue, and I look forward to future installments.

-Reed Beebe (P.S. - Pardon the apparent typographical errors; I was inspired to brew an invisibility serum and it spilled onto some of the words in my letter.)

Thank you, Reed! I hope you didn't spill that serum on anything else! James and Dani have truly knocked it out of the park with this. I hope you have enjoyed the rest of the series!

Hello, Universal Monsters team,

It's FINALLY here! I said in an earlier letter that the Invisible Man was by far my favorite of the Universal monsters and that I could not wait to eventually get that story retold in this format and I am more than happy to say that you all delivered! Something I find so fascinating about Jack Griffin is that he is, as James Tynion pointed out at the end of issue one, a truly monstrous human being. I love how well that has been adapted in this

first issue. Getting a deeper look into Jack's psychology and how he views the world is amazing. I am a particular fan of the moment he has when speaking with Dr. Cranley where he says that he questioned his lack of true kindness but soon realized that it was actually everyone else simply pretending to be so kind. It's really giving me unreliable narrator vibes which is a personal favorite of mine. For instance, and maybe you can shed some light on whether this is accurate if this letter is featured, I assume that Jack feeling as though Cranley does not believe he is truly capable, is all actually in his head and Cranley is actually being genuine. I could be wrong, but that's the vibe I was getting from them. With all of that being said, I am glad that my favorite monster is finally getting his own book and I'm super happy to say that, so far, I have nothing but praise. I had a feeling that would be the case once I saw that Tynion was on as the writer! Catch y'all next month!

Cason Jones
Sulphur Springs, Texas

Hi, Cason! Thank you for the kind and very thoughtful words. Jack Griffin's internal voice is absolutely one of my favorite things about the whole series. James is a master of horror for a reason and letting him play around in Jack's head has been a joy. I hope you've continued

to be satisfied with just how twisted his descent has manifested in the following issues!

I'm a big fan of The Invisible Man, and I read the first issue. It is very good. I love how Griffin is a very cold and calculating character, always planning his move. It's nice how you adapted the film, with some elements of Wells' original novel, to make a very amazing story with some awesome art. It's cool that we also saw some of Griffin's soft side with his rat friend, him saying he hopes it's safe and okay. It proves Griffin is not all evil, just broken. Can't wait for the next issue, keep up the great work!

Nicholas
Canada

Hi, Nicholas! Glad you enjoyed the first issue! I think we can all say the rat has probably made it out the best out of any other animal in this series so far!

Hello Monster Mail!

I really enjoyed the first issue of The Invisible Man! Love how we're exploring Griffin's backstory. His characterization as having been much darker than what the film would lead you to believe he was like intrigues me going forward. I also wanted to compliment Dani and Brad Simpson for

the art; especially the great use of shadows on Griffin's face throughout the issue except for the one moment he's putting up a front of kindness for Dr. Cranley. And the bursts of red whenever Griffin almost gives in to his darker tendencies. Good stuff! I've been a fan since middle school, I've read the original book, dressed up as him for Halloween, so seeing this comic come out is incredible. Excited to see how Tynion writes the next three issues!

Edison Wang
New York City, NY

Hi, Edison! Happy to hear you enjoyed this one! I honestly couldn't imagine a better art team for this series. Dani and Brad perfectly encapsulate the horrific nature of Jack, I can't get enough of their interpretation.

And that's all for this one, folks! Be sure to tune in for next month's terrifying conclusion to UNIVERSAL MONSTERS: THE INVISIBLE MAN! As the saying goes, don't forget to MAKE MINE MONSTERS!
